

Founded in 2018, The Moody Blonde is a family lifestyle blog that focuses on a little bit of everything, including family, fun, travel, and our biggest passion – food.

Who is The Moody Blonde?

I'm a mom of 3, a grandmother of 1, and a full-time virtual assistant and blogger. I also work in an elementary school in my not-so-spare time.

I'm a self-help junkie; I believe in living life to the fullest and that every day is a chance to better myself. Most days I fail. That's part of the fun! What matters is that you keep trying!

Other things I love include eating, organizing things, nail polish, Marilyn Monroe quotes, and Days of Our Lives, but only when Sami is in Salem.

What you'll find on my blog: A little bit of everything and a whole lot of pink and girly. Mostly, I write about recipes, fitness, travel, and reviews. Occasionally, I throw in a few crafts and how-tos.

“We should all start to live before we get too old. Fear is stupid. So are regrets.” – Marilyn Monroe

According to Google Analytics, my audience is comprised mainly of stay at home moms ages 25-44. Their major interests are shopping, travel, homemaking, and parenting.

While my readership is primarily based in the United States, we do also serve global interests if they are a good fit.

The Moody Blonde works with many brands. Most recently, we've worked with Best Buy, Gourmet Garden, Sun Basket, Schlage, and Hard Candy.

I love being social! Sharing comes naturally to me and you'll always find me with a camera in my hand; whether I'm photographing my lunch, nature, or something one of my beautiful children are up to, you can bet it will show up on social media!
